7  
8 RESOLUTION NO. 2020 – 46  
9

10 A RESOLUTION IDENTIFYING AND SUPPORTING LEGISLATIVE PRIORITIES  
11

12 WHEREAS, The Fairbanks North Star Borough Assembly identifies and  
13 supports the following legislative priorities for 2021:  
14

15 **Title 29 PILT Exemptions**

16 Properties that meet certain criteria may negotiate a payment in lieu of taxes agreement  
17 with the taxing jurisdiction for up to 20 years. Eligible properties to include Class III value  
18 added industries defined by AS 36.30.332 that employ 20 or more full time employees;  
19 military support businesses in Military Facility Zone; private projects that implement all or  
20 part of a urban renewal plan; a mine that has a daily average of 100 or more full time  
21 employees; privately owned large scale renewable energy facilities; and municipal owned  
22 real or personal property located in a separate municipality.  
23

24 **Public Employees' Retirement System (PERS) Contribution Rate and Strategy**

25 Maintain the 22% PERS contribution rate as was agreed to by PERS employers and the  
26 state in allocating the unfunded liability and provide certainty of set rates for all  
27 employers. Support focused efforts to develop strategies to reduce the unfunded liability  
28 and reduce the overall payout through incentive programs not by adjusting the  
29 contribution amount. Options may include buy out provisions.  
30

31 **Road Service Area Consolidation**

32 Support an amendment to AS 29.35.450 allowing a second-class borough, by ordinance,  
33 to abolish two or more existing service areas, which exercise the same power(s), for the  
34 purpose of replacing them with a single, new service area. This amendment would not  
35 include parcels not within existing service areas boundaries, which will still require an  
36 election or otherwise meet the requirements of AS 29.35.450(c).  
37

38 **Creation of A Legislatively Authorized Military Affairs Commission**

39 Create a commission to provide advice, counsel and recommendation to the Governor,  
40 the Alaska Legislature and State agencies on initiatives, programs, and legislation that  
41 continue and increase the role that Alaska's military installations, the National Guard and  
42 Reserve play in America's defense strategy and the economic health and vitality of the  
43 State.

44 **Municipal Capital Project/School Construction Reimbursement**

45 The Fairbanks North Star Borough has partnered with the State of Alaska on municipal  
46 capital and school construction projects. The Borough supports full reimbursement as  
47 provided for in state law.

48

49 **School Funding and Forward Funding Education**

50 Maintain school funding and forward funding of schools.

51

52 **Human Services Community Matching Grant (HSCMG) Program**

53 The HSCMG program has significant and wide-ranging impacts in the Fairbanks North  
54 Star Borough and is an exceptionally cost-effective use of public dollars which are passed  
55 through to nonprofit recipients providing basic and essential human services to  
56 underserved residents.

57

58 **Community Assistance**

59 Support maintaining the community assistance program and considering ways to stabilize  
60 the fund and or expand to create consistency. Support a baseline floor of \$60 million  
61 annually, and encourage a long-term, sustainable solution.

62

63 **FNSB Approved FY 2021 Capital Improvement Program (CIP)**

64 Projects listed in Attachment 1 of FNSB adopted Resolution No. 2020-12.

65

66 NOW THEREFORE BE IT RESOLVED that the Assembly of the Fairbanks  
67 North Star Borough supports these legislative priorities.

68

69 BE IT FURTHER RESOLVED that the Assembly requests the Clerk to  
70 distribute a copy of this resolution to the Alaska Congressional Delegation, Alaska Interior  
71 Delegation, and the Honorable Governor Dunleavy.

72

73 ADOPTED THE 12<sup>TH</sup> DAY OF NOVEMBER 2020.
