The following action was taken at the above-referenced work session:

Facilitated by R&M Consultants, reviewed drafts of future trail corridors recommended for inclusion in the updated Comprehensive Recreational Trails Plan. The work session addressed trails and trail systems east of the Elliott Highway and east and south of the Steese Highway. The community was invited and encouraged to participate and provide feedback during the work session. Additional materials and information about the Trail Plan update process can be found at www.fnsbtrailsplan.com.

The next meeting is scheduled for January 24, 2022.
