---

**Thank You!**

Thank you for riding the MACS bus system. By riding the bus you are making the smart choice of saving money and reducing emissions in the air we all breathe.

We strive to make your ride as comfortable and convenient as possible. Please contact us with suggestions or concerns. We welcome your comments.

Our buses can kneel lower to the ground to make boarding easier and are equipped with a rack to carry your bicycle.

The **YELLOW LINE** route includes many popular destinations. See the schedule and map inside.

---

**Holiday Service**

Please visit www.macstransit.com for current holiday schedules.

---

Bus schedules and information can be translated into other languages. Please contact us at 459-1011 or macstransit@fnsb.us.

---

**Ride With Courtesy**

Everyone deserves a pleasant ride. Please keep noise to a minimum. Excessive noise is not allowed. Please mute electronic devices or use earphones. If you use your cell phone, speak softly so as not to disturb others. Your fellow riders will appreciate it.

---

The Max C. Lyon Transit Center is located between 5th and 6th Avenues off Cushman Street in downtown Fairbanks. Most routes start and finish here.

You’ll find plenty of seating inside where you can wait for your bus out of the weather. You’ll also find vending machines, restrooms, brochures for each of the bus routes, token machines and staff to answer your questions. The Center is open 6am–9:30pm Mon.–Fri. and 8:45am–7:30pm Sat.

Look for the signs around the outside that show where your bus will arrive.

---

MACS buses are safe, clean and comfortable. Leave the driving to us!

No Saturday or Sunday Service

How to Ride the Bus
First, look at the map on the back of this brochure to find which color bus line (Red, Blue, Green, etc.) takes you to where you want to go. You may need to ride more than one bus to get to your final destination. Let the driver know if you need to connect with another bus. You must pay the fare each time you change buses, unless you purchase a Day or Monthly Pass.

Once you know the color bus line, go to www.macsbus.com or pick up that route’s brochure to see what time the bus will stop near where you want to board. Timed stops are listed in the schedules. The maps show timed and other bus stops as well as popular destinations.

Finally, look for the roadside bus stop signs. They are usually two to three blocks apart. Each bus stop has a schedule and map posted for your convenience. Try to be at the stop about five minutes early.

If you have any questions, please ask the driver. Welcome aboard!

MACS buses now have GPS units on board for you to track the location of your bus in real time. Log onto the www.macsbus.com and look for the link.
